

Classical Magnet Proposal

Inside Beautification Day

2011-2012

#10

Proposal: Classical Magnet should have an inside beautification day that would consist of

- Repainting the walls in the cafeteria, (painted by different grades and organized groups/clubs).
- Covering the bare bulletin boards on the first floor
- Fixing the holes in the walls
- Clean up the garbage and set up recycling bins.

The principal would approve of all the plans for repainting and posting. This activity would be done on a Saturday and students would be offered community service hours.

Author: Ana Filigrana

Impact: The school would give a better appearance to people outside the school and provide a better environment for the community inside the school.

Costs: Dependent on materials

Referred to: Student Life

Questions Raised: potential issues with maintenance union
