

Classical Magnet Proposal

One High School Four Dances

2011-2012

#9

Proposal: Every grade in the high school hosts a dance and except all the profits are split between them.

Author: Ana Filigrana; Taylor Kennedy

Impact: This would destroy the animosity between all the high school grades. Also the dances would fundraise more because more people would come to all the dances to support their grade and not just the dance.

Costs: Nothing

Referred to: Student Life
