

Classical Magnet Proposal

School Newspaper 2012 Final Edition

2011-2012

#5

Proposal: We are requesting that we be able to print a 12 page full sized tabloid newspaper for the final edition of The Gladiator newspaper this year. This paper would show off the style of printing that will possibly be used for the newspaper for the 2012-2013 school year.

Author: Franklin Edrich, Trishan lakaha, Yaw Abaaho

Impact: We believe that being able to produce such a newspaper would get the whole school very excited for production of the new style of newspapers next year, and might entice students to join the program. It would also greatly unify our student body, and we believe we should be given the chance after showing off all the quality work that we have produced this year.

Costs: It costs \$882 to print off 700 copies of the newspaper, which is the bulk amount that the printer prints in as well as the amount of students that attend Classical, but there is no additional cost other than that.

Referred to: Student Life
