

Classical Magnet Proposal

School Newspaper

2011-2012

#6

Proposal: We would like to have 8 editions of a 12 page school newspaper printed. This would be for the 4 day newspaper enrichment.

Author: Franklin Edrich, Trishan lakaha, Yaw Abaaho

Impact: It would greatly unify our student body, and we believe we should be given the chance to make a high quality newspaper that all of the student body could see. It would have tremendous beneficial effects on the school and give opportunities for young writers in the school to really get there articles read.

Costs: It would cost us \$882 to print 700 copies of the newspaper, per issue. We have 8 issues so the total cost to print the newspaper for the year would be \$7,056.

Referred to: Student Life
